On Friday the 9th day of December 2022, I PSO Chargeois was working a Basketball game at Beaumont United. During the course of the game an Assistant Principal (AP) came out of the gym asking for an Officer, upon hearing that I looked up seeing the AP walking near Officer Norman. I then looked at Deputy Turner and she said "I got it" to Cpl. Boseman. We both started walking towards the AP, at that time I heard Cpl. Boseman calling Officer Norman. Officer Norman was standing by the concession stand eating the AP was near Officer Norman, both Deputy Turner and myself walked over to see what was going on. Not knowing what was previously stated between Officer Norman and the AP, I heard the AP say to Officer Norman, "that's ok, she's a female anyway." I looked at Officer Norman and said "I got it." Walking back from the gym entrance, I heard Officer Norman say " I know what going on in there. After that I shut down and stopped listening because things were escalating.
